**HEROINES FROM HISTORY: INSPIRING STORIES OF
LEADERSHIP AND POLITICAL COURAGE**

Dr. Robert Watson is an award-winning author, historian, political commentator and community leader who currently serves as Distinguished Professor of American History at Lynn University. He will profile ten great women from history and explore their remarkable contributions to our country and/or the world. Their stories teach us about making connections as a way to empower women to make a difference in the world. Dr. Watson's lectures never disappoint - he makes history come to life.
